

FRESH INTERNATIONAL FILM FESTIVAL

28TH MARCH - 2ND APRIL 2022

Hello Filmmakers, things have started to turn and soon, fingers crossed, we'll be back to a normal.

What's normal? I can only leave that for others to decide. Everybody will have had a personal experience of the last two years and I wonder if the isolation and lockdown has changed your world. Has it changed the way you think? Has it changed the way you interact?

I wonder too, if it will change the way we make art and films and indeed the subjects we choose to focus on. We've already seen artists make art in lockdown to respond to the questions and difficulties it brought up.

Do you have something particular to say? As a filmmaker, you're spoilt for choice. Subjects for your story often arrive in a flash of

inspiration, or are suggested by something you see online or in the news. And you begin to wonder. What if? What happens next? And then the story takes off.

Don't forget there are loads of people around to help. From family and friends, your local youth theatre or filmmaking group, your school and teachers and your local Arts Centre, everyone will be willing to help you realise that story. It's all just within reach. All you need is to decide to do it. It's time to begin again. We're waiting...
